Games will not be played Memorial Day

In the event games are cancelled due to weather, coaches will e-mail families by 7:30 a.m. the morning of the game. We will follow the same cancellation ruling as Apex Parks and Recreation. You can check their website at APEXNC.ORG or call their sports hotline at 249 -3348. If their games are cancelled, all Apex Rotary games will be cancelled. Please note that they will not list the Apex Rotary Baseball league separately on the web site or hot line. If we miss two or more games due to weather, we will make every effort to make them up in July.
